MEMORY OAK POINTE OF CARTHAGE CARE

PRIVATE STUDIOS STARTING AT \$6,760

Families caring for a loved one with Alzheimer's or other forms of dementia face a journey that can be overwhelming at times. That's why we're here to help simplify memory care services, making it easier for families to focus on what matters most—spending meaningful time together.

People living with dementia deserve to live in an environment that supports their emotional and physical needs, especially as those needs continue to evolve and change.

Through years of experience in dementia care, we know it is vitally important for seniors and their families to have access to passionate and experienced professionals, meaningful dementia-specific programs, and resident-focused wellness plans. This is where we can help.

We invite you to experience our unique memory care community with a sole focus on creating a path for residents to thrive and experience moments of joy each and every day.
